TROPHY MOOSE HUNTS

Pursue Canada Moose in Alberta's Legendary Pembina River Country

This area is known for its healthy moose population and big-bodied northern bulls, with terrain that favors spot-and-stalk, calling setups, and natural ambush points. **Hunting on the Pembina River is rugged, rewarding, and authentic; a true trophy moose hunt in wild country.** Our professionally guided hunts will create moments that will stay with you long after the season ends.

WORLD-CLASS WATERFOWL HUNTS

Premier Waterfowl Hunts Along Alberta's Pembina River

There is no shortage of mallards, pintails, and Canada geese, especially during peak fall migration. The river corridor acts like a natural highway for migrating ducks and geese, offering excellent shooting opportunities at dawn and dusk.

WHITETAIL & MULE DEER HUNTS

Chase Mature Whitetail & Mule Deer in Prime Pembina River Habitat

Deer hunting along the Pembina River in Alberta is exceptional, thanks to the rich habitat and natural movement corridors. Low-pressure, diverse terrain, and strong genetics, provide excellent opportunities to pursue mature bucks. **Hunting with outfitters who know the area gives you a real advantage, putting you in the right places at the right times to pursue trophy-class bucks.**

At Northern Lights Outfitting, we focus on ethical hunting, local knowledge, and a true northern experience. Whether you are pursuing a trophy bull moose, a mature buck, or a memorable waterfowl hunt, our operation offers the adventure that keeps hunters coming back year after year.
